Nissan Forklift

Nissan takes great pride in reaching total consumer satisfaction, when their customer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality values to their clients. Incorporating a fruitful heritage combined with strong processing principals, Nissan Forklifts supply some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering consumer support, the company has four distinct manufacturing facilities that permit them to constantly adapt to their clients continually evolving needs by offering a range of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental responsibility by using techniques and processes that limit their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their consumers insist upon while being an environmentally aware company.

Nissan is fairly convinced that any of their customer's queries and customer considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed sellers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
